Roy Berge Award~ Special Award for Best Fitted & Trained Dairy Animals:

This award is in honor of Roy Berge who had two main loves in life, cattle and kids. This was his way of rewarding youth for their efforts on preparing their animals for the Trempealeau County Fair.

Roy was employed at the Trempealeau County Health Care Center as the herdsman for many years until he retired in 1978. While employed there, he conducted many fitting and training clinics for the area youth who were interested in learning more about preparing cattle for shows. Roy appreciated the time and effort that is required to prepare an animal for showing at the fair, and felt youth should be rewarded for their hard work. Therefore, this award is to be given to the exhibitor who has the best fitted and trained animal. **Exhibitors can win this award more than one time in their junior county fair showing career, but cannot win in consecutive years.**

Award is presented at the conclusion of the Dairy Show
•Exhibitors will be selected during the Dairy Show and made aware of the need to keep the animals prepared
